

ENGLISH

Mastering Paraphrasing Skills

OVERVIEW

This course is relevant to any English Language teachers of Year 7 and above. Materials and tips shared during this course can help teachers to design lessons that can improve the paraphrasing and writing skills of their students.

LANGUAGE

English

TIME

2.00—4.30pm

DURATION

2.5 hours

TARGET PARTICIPANT

All English teachers from Year 7 and above
General Paper teachers

METHODOLOGY

♦ Workshop

OBJECTIVES

- To enable course participants to develop materials and design lessons that focus on the improvement of students' writing skills,
- To share and explore with course participants current paraphrasing practices.

CONTENT

Course participants will be doing activities that focus on understanding and teaching the five skills of paraphrasing:

- Skill 1 - Contextual Meaning
- Skill 2 - Quantifiers and Qualifiers
- Skill 3 - Literary Devices: Similes and Metaphors
- Skill 4 - Connotation and Denotation
- Skill 5 - Degree and Intensity
